EDUCATION

MILA and Polytechnique Montréal *Jan 2025 - Current*
PhD in Computer Engineering (GPA: 4.0)
- Supervisors: Sarath Chandar, Amal Zouaq.
- Courses included Representation Learning, Reinforcement Learning.

University of Bologna *Sept 2021 - Oct 2023*
MSc in Artificial Intelligence (Grade: 110/110 cum laude)
- Courses included Programming for Data Science, Knowledge Representation and Reasoning, Statistical Theory and Methods, Machine Learning, Deep Learning, Computer Vision, Natural Language Processing.
- Thesis: A TWO-step LLM Augmented distillation method for passage Reranking.

University of Florence *Sept 2017 - Mar 2021*
BSc in Mathematics (Grade: 110/110)
- Courses included Analysis, Linear Algebra, Geometry, Probability and Statistics, Logic and Computability.
- Thesis: Big Deviations for Markov Chains.

POSITIONS AND PROGRAMS

MATS Fellowship (10.0 + 10.1 Extension) *Jun 2026 - Present*
- Supervised by Mirko Bronzi and Damiano Fornasiere from LawZero.
- Investigating introspection capabilities in language models.
- Selected for the MATS 10.1 extension phase (from Sep 2026) to continue the project.

ARENA 7.0 (Alignment Research Engineer Accelerator) *Jan 2026*
- Technical AI safety program focused on building ML engineering skills for alignment research.

Loop AI Labs Inc. *Sept 2022 - Dec 2024*
- Machine Learning Engineer.
- Co-supervised a master's thesis titled "Self Assessment Tool for Medical Exam Candidates" in collaboration with the University of Padova.

National Institute of Informatics (NII) *Mar 2023 - Aug 2023*
- International Internship Program.
- Supervisors: Akiko Aizawa, Paolo Torroni.
- Developing an LLM based text-reranker.

SERVICE AND LEADERSHIP

INF8245AE Machine Learning – Polytechnique Montréal *Fall 2026*
Teaching Assistant

Fatima Al-Fihri Predoctoral Fellowship *Fall 2026*
Research Mentor
- Mentoring a fellow on a machine learning research project through the Fatima Institute for Global AI Research, a program supporting prospective PhD applicants from low- and middle-income countries.

SPAR (Supervised Program for Alignment Research) *Fall 2026*
Research Mentor
- Mentoring two research fellows on building robust activation monitors for language models.

CoLLAs 2026 (Conference on Lifelong Learning Agents) *Nov 2025 - Current*
Web Communication Chair
- Managing the official conference website and digital presence for the 2026 edition.

MILA *Summer 2025*
Teaching Assistant - Summer High School Internships
- Designed and delivered educational workshops on Machine Learning and Probability for high school students.

UILO – Career Orientation Platform *Sept 2024 – Present*
Co-Creator and Technical Lead
- Built UILO, a career orientation platform for post-secondary education with university and career databases and psychometry-based recommendations.

Belle Parole Arci APS *Nov 2023 - Current*
Co-Founder, Non-Profit Association
- Organized community events and communications, built the organization's website **belleparoleaps.it**, and secured grant funding for organizational activities.
